Technical Details of how the planetary patterns are determined: Each interpretation is based on a 3-planet pattern. The 3 planets are forming a midpoint structure where a planet forms one of the following aspects to the midpoint of 2 other planets: conjunct or opposition with 2 degree orb, square with 1 1/2 degree orb, semisquare or sesquiquadrate with a 1 degree orb, or 1/16, 3/16, 5/16, or 7/16 with a 30 minute orb. Also, the 3 planets are aspected to each other in the same harmonic. The harmonics analyzed are 1 through 64 and any doubling of these numbers, such as 120 which is a double of 60, up to 180. The total number of harmonics analyzed is 108. In the harmonic chart all 3 aspects are within a 12 degree orb. Also, any midpoint structure involving a conjunction or opposition aspect within a 1 1/2 degree orb, even if a harmonic triangle is not involved, is interpreted.

Given below is a brief interpretation of your birth chart. The major themes in your life are described. The themes are presented approximately in the order in which they are a priority in your life. In other words, the themes which are most important are, in general, described near the beginning of the report, and the less important themes are described towards the end of the report.

Each astrological influence described in this report is a resource available to you. It is up to you to express these energy patterns in the best possible way. It is possible to repress, block, or try to avoid issues, or to fight yourself; hopefully this report will help clarify issues in your life, and encourage you to master your life rather than be a victim of circumstances.

Moon-Saturn-Neptune 128th Harmonic

You have a deep sensitivity that others may be very unaware of. Some form of moral laws or religious principles are important for you to develop and discover, and without a good ethical and emotional foundation in your life, you may turn to alcohol or other forms of escape. You can be very self-sacrificing for a worthy cause.

Mars-Saturn-Neptune 32nd Harmonic

In the long run, you will find that a career that emphasizes sales and marketing rather than real service will depress, frustrate, and exhaust you. Deep within yourself you are seeking greater meaningfulness in your work. You are able to sacrifice for a worthy cause and you are able to work long hours with little recognition if you feel that the service you provide is really meaningful.
