Potential Positives

- Secretly, you dream of having a big impact on the world for your humanitarian service.
- You are tolerant, sympathetic, generous, forgiving and understanding of differing viewpoints.
- You are fascinated by human nature and love meeting people from all walks of life.
- You are rather bohemian and eccentric yourself, always heeding the call of your inner voice.
- You are noble, charitable, wise and broad-minded. You have high ideals.
- As generous as you are, you nonetheless love your freedom. Part of you would love to travel the world without any limitations, restrictions or burdens.
- You are a romantic idealist and Utopian dreamer at heart. You feel everything deeply!
- You have boundless faith and trust in the universe to supply whatever you need at any time.

Potential Negatives

- You may be too overly sensitive, very emotional and/or moody (emotions can sometimes be expressed strongly with this Heart's Desire). You often suffer through your emotions. Sometimes personal love is denied so that you can more freely express universal love.
- There can be tremendous inner conflict between your higher spiritual aims and wanting to do something for humanity vs. your own personal ambitions and wanting to fulfill your own desires.
- Be careful not to become overzealous or fanatical in espousing your cause to “help save humanity.”
- You can be too perfectionistic with yourself because you want to be perfect. Recognize all the good you are doing in the world even as you strive to become perfect.
- Since your vision is on helping the masses, you can sometimes neglect and overlook the needs of your loved ones. Those closest to you may perceive you as distant and aloof. You are a loving person so just be aware of this tendency in you and direct some of your considerable love to your nearest and dearest.
- If you have some self-centered numbers in your chart you may resent the fact that other people don't give as much as you do or that they don't show appreciation for all that you do for them.
- You may be a bit naïve, thinking that all people have the same humanitarian values as you do. It is hard for you to believe that someone might not care deeply for the plight of another fellow human being.
- As much as you sincerely want to be of service to others, some 9 Heart's Desire people also like being in front of an audience and can crave fame and the approval of the masses. Much depends on the other numbers in your chart though.
- You can sometimes be judgmental and critical of others. Since you want to be perfect you may project some of your perfectionism onto others.
- You can be arrogant. You may have innate wisdom that others don't seem to have and you strive hard to be perfect so you may consider yourself, even subtly, superior to others. People pick up on this so be aware of it and remember, “Blessed are the meek, for they shall inherit the Earth.” (New King James Bible, Mathew 5:5)
