

Category Scores and their Associated Behavioral Style Pattern

Your category score is the 4-number score that you determined from your DISC Behavioral Style Graph.

Find your category number below and your associated Behavioral Style Pattern to the right of the number.

If your category score says "**Retake self-assessment**" it is because your scores were ambiguous and did not match any of the typical patterns seen in most people. It may help to retake the self-assessment with a clearer focus.

Category Score – Behavioral Style Pattern
