

## Born on the 11<sup>th</sup> of Any Month

The number 11 is considered a “master number” in numerology so being born on the 11<sup>th</sup> *may* confer special potential (for a very few people) **OR** just operate as the number 1 (because of the double 1 emphasis) or the number 2 (because  $1 + 1 = 2$ ). Compare the description below to descriptions of “[Born on the 1<sup>st</sup>](#)” and “[Born on the 2<sup>nd</sup>](#)” to see which description is more true for you.
