

Born on the 22nd of Any Month

The number 22 is considered a “master number” in numerology so being born on the 22nd *may* confer special potential (for a very few people) **OR** just operate as the number 2 (because of the double 2 emphasis) or the number 4 (because $2 + 2 = 4$). Compare the description below to descriptions of “[Born on the 2nd](#)” and “[Born on the 4th](#)” to see which description is more true for you.
