Weak 8 energy or conflicting numbers elsewhere will dilute these potentials (for a listing of numbers incompatible with 8, click [here](#)). Please keep this in mind.

Potential Negatives

- Not making time to develop close, personal relationships because you're always working too much.
- Taking on more than you can handle and feeling stressed and overwhelmed or, conversely, feeling despondent and depressed because you are uninvolved in a worthwhile task or project. Finding balance here is one of your greatest challenges.

- Being dominant, rigid, stubborn and/or too exacting of self and others.
- If insecure, you may be fond of display and flaunt your wealth.
- You can get irritated easily by people who waste your time.
